

MECHANICAL : INSTRUCTIONS POSTCARD

PROJECT

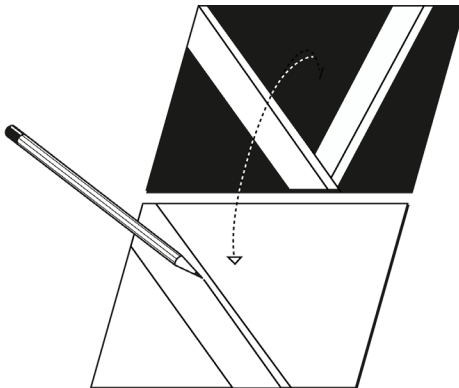

1.

YOU WILL FIND THE FOLLOWING TOOLS IN YOUR KIT:

- KOH-I-NOOR HARDTMUTH 1500 PENCIL, 4B
- BLACK AND WHITE IMAGE ON PAPER
- POSTCARD

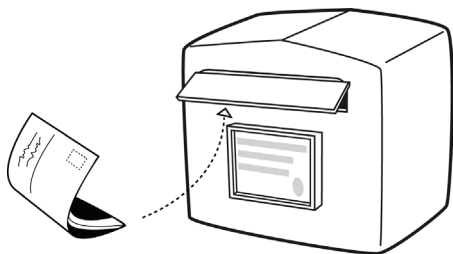

2.

YOUR TASK IS TO DO YOUR BEST JOB TO RECREATE THE IMAGE FROM THE PRINT ONTO THE POSTCARD BELOW. IT'S IMPORTANT TO USE THE PENCIL THAT IS SUPPLIED WITH THE KIT.

IMPORTANT: BOTH POSTCARD AND PAPER SHOULD BE PLACED HORIZONTALLY AS SHOWN IN THE ILLUSTRATION. IN ORDER TO KNOW WHICH SIDE IS THE TOP YOU SHOULD LOOK ON THE BACK OF EACH PAPER FOR AN ARROW MARKING THE TOP.

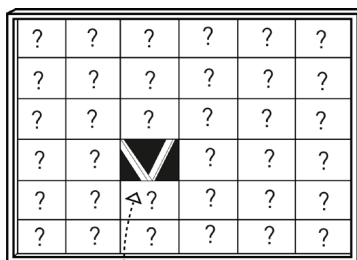

3.

ONCE YOU ARE SATISFIED WITH YOUR DRAWING - PUT THE POSTCARD IN THE MAIL. IT IS ALREADY ADDRESSED AND PRE-PAID. MAKE SURE TO INCLUDE YOUR NAME AND RETURN ADDRESS ON THE BACK OF THE POSTCARD.

YOUR POSTCARD DRAWING MUST BE COMPLETED BY JULY 31, 2014. THANK YOU.

4.

ONCE ALL 36 OF THE POSTCARDS HAVE ARRIVED, THE FINAL IMAGE WILL BE ASSEMBLED, PHOTOGRAPHED AND ARCHIVED IN A HIGH-QUALITY FORMAT.

YOU WILL RECEIVE AN EMAIL WHEN THE IMAGE IS AVAILABLE TO DOWNLOAD. IF YOU LIKE THE DRAWING, YOU CAN ALSO PURCHASE A LIMITED EDITION PRINT. MORE INFORMATION: BRIANBIXBY.COM/MECHANICAL_POSTCARD.HTML
